Women's Groups

Groups for women run weekly – a friendly space to get together, relax, share food and try new things.

Activities include sewing, cooking, make-up and trips around West Yorkshire. We also offer courses and reading support.

Mens Group

Our Men's Group is also a place for our male community members to get together and try woodwork, gardening or just relax.

Youth Groups

Youth Workers Grace and Kathleenanne run our fantastic youth program, supported by education from Angela. Activities, learning, art and residential are just some of the things on offer to our young people each week.
